

Crispus Attucks Association – Give Local York Elevator Pitch

Give Local York, a 24-hour online giving event, is coming to York County on May 4th, and Crispus Attucks is participating!

For the last 87 years, Crispus Attucks has served the York community and offered programs for individuals of all ages. Their diverse programs create opportunities for learning, empower youth, enhance the lives of seniors, provide affordable housing to families, and revitalize our neighborhoods.

On May 4, from midnight to midnight, every dollar donated will be amplified by a pool of additional funds raised by Give Local York Sponsors. You can help Crispus Attucks continue its rich history of serving the York Community by visiting Give Local York's website between midnight and 11:59pm on May 4th and selecting Crispus Attucks from the list of nonprofits.

Thank you for helping to spread the word about Crispus Attucks!
