

Crispus Attucks Give Local York Email Template

Subject: Crispus Attucks is participating in Give Local York on May 3rd!

Hello _____,

Give Local York, the 24-hour statewide giving movement, is coming soon. Crispus Attucks is participating in this one day celebration, and I want to support them on May 3. I need your help to make a difference!

What is Crispus Attucks?

Crispus Attucks is a local nonprofit with 88 years of experience serving the York community. I've had the pleasure of volunteering on their Board of Directors and am impressed with how their programs create opportunities for learning, empower youth, enhance the lives of seniors, provide affordable housing to families, and revitalize our neighborhoods.

How Can You Help?

The best way you can support Crispus Attucks is by spreading the word via email, Facebook, and/or Twitter AND by encouraging family and friends to visit bit.ly/CAGiveLocalYork2019 between midnight and 11:59pm on May 3rd to make a contribution to Crispus Attucks. Thanks to the Give Local York stretch pool, every dollar donated will go much further!

Thank you for helping me spread the word about Give Local York and Crispus Attucks!
